Our Services

About Us..

Introduction

Mac Pack Warehousing Sdn. Bhd. is a full service – value added provider, established in 2014. We may be young but we are a growing company, charging into a current dynamic and competitive packaging and relocations industry. Crazy and risky as it may seem in the current economic condition, there is always a segment for us to apply what we have experienced and learned in the Industry and to be there to meet and fulfill the need of our customers.

From logistics, organizing, packing, tracking and delivering, Mac Pack ensures everything is done right, and on time. We take pride in each and every customer we service, big or small and our goal is of course, customer satisfaction. This means to properly coordinate every stage of the task so that you are not concerned with even the slightest detail.

Mission & Vision..

Our mission is to provide top quality services with value to our customers unique and varied demands, while being a model employer that helps our employees and contractors reach their personal goals.

Our Facilities..

Our warehouse & storage facilities, currently has a total area 400,000 sqft in North Port. The warehouse is able to facilitate and accommodate various types of general cargo requirement or type-specific industry from racking system, to ground storage including unstuffing/stuffing from containers.
